ROOM AIR PURIFIER

ENERGY STAR® certified room air purifiers are more than 25% more energy efficient than standard models. Choosing a high-efficiency model can save the average household \$120 over the lifetime of the unit.*

**Source: energystar.gov accessed 6/21/2022*

One room air purifier rebate per installation address per calendar year. Rebate not to exceed total purchase price. Unit must be new but may be purchased anywhere as long as it is installed in Maine. Efficiency Maine does not warrant product performance. Program is subject to change without notice. Please allow six weeks for rebate processing. Incomplete information may delay or disqualify your rebate.
